

GRANDVIEW HISTORIC DISTRICT

The City of Wenatchee would like to thank all the Grandview Historic District (GHD) residents who have recently become involved to improve the neighborhood. After the Tuesday, September 28th kickoff meeting, the Mayor and City staff heard that there is still a desire to preserve the GHD by simplifying standards and focusing on curb appeal.

The City has scheduled a neighborhood workshop for **November 16th**. Residents and property owners are encouraged to participate in this workshop intended to begin addressing concerns and opportunities identified at the last meeting. The notes from the Sept. 28th meeting have been included for your review.

The kickoff meeting revealed that any GHD standards need to be SIMPLE, SIMPLE, SIMPLE! Consistent with that effort, at the **November 16th** workshop we would like to start by identifying those actions that should not require special approval and work that could be reviewed by staff with building permits.

We look forward to your participation and encourage your input throughout this process. If you have any questions or input please contact Planning Staff at 509.888.3200.

Stay connected with the Grandview Historic District! Sign up to receive emails on City of Wenatchee GHD news and events. Visit www.wenatcheewa.gov/GHD.
